

Dear Silver Lake Residents,

The Badgerland Water Ski Club will be performing on Silver Lake at 6:00 pm on Saturday June 19th.

The **Badgerland Water Ski Show Team** was formed in 1983 when the KeeWees of Lake Keesus and the Nagawautics of Lake Nagawicka joined forces. Now, they make their home in lake country, performing shows in Oconomowoc at Fowler Park and in Okauchee Lake on Okauchee Lake in front of Foolery's Liquid Therapy.

Enjoy this special treat right here on our beautiful lake. Best viewing will be along the east side of the lake. Please keep your boats between the buoys and the shore to give the show boats and performers plenty of space to entertain. Mark your calendars for 6 pm on June 19th!

Sincerely,

The Directors of the SLPA
